SOE (excluding Computer Science Major)

UCSC Computer Science BA/BS Graduates Employed vs Seeking Employment

Among those who are not going to graduate school after graduation....

Computer Science Major

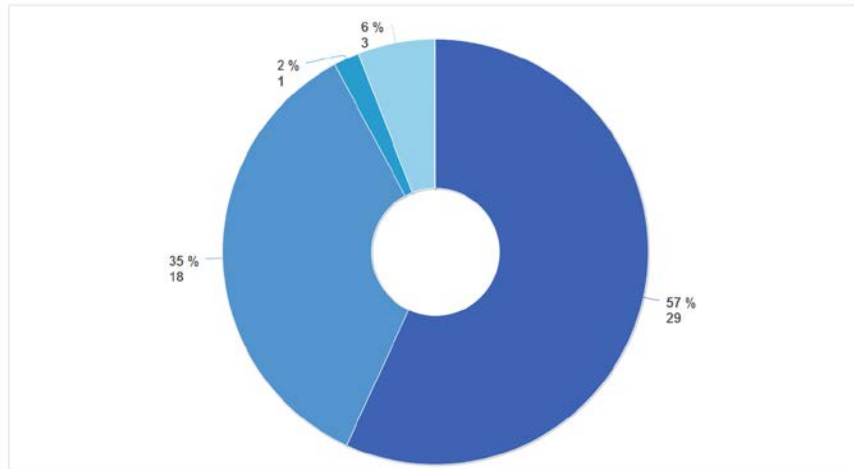

SOE (excluding Computer Science Major)

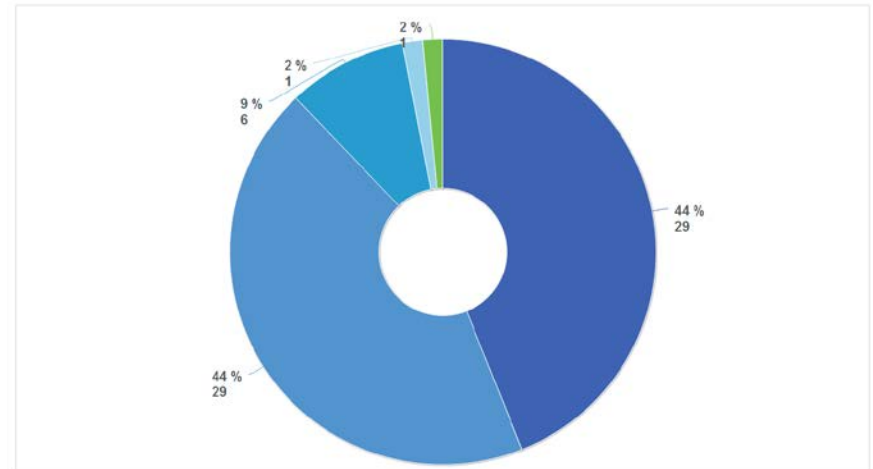

More graduates with a BA/BS degree in Computer Science were employed than seeking employment 6 months after graduation.

UCSC Computer Science BA/BS Graduates

Sectors where students were employed

Computer Science Major

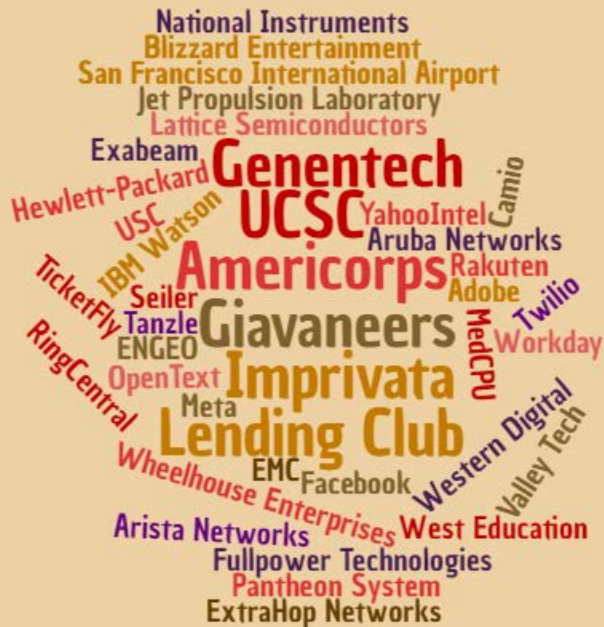

SOE (excluding Computer Science Major)

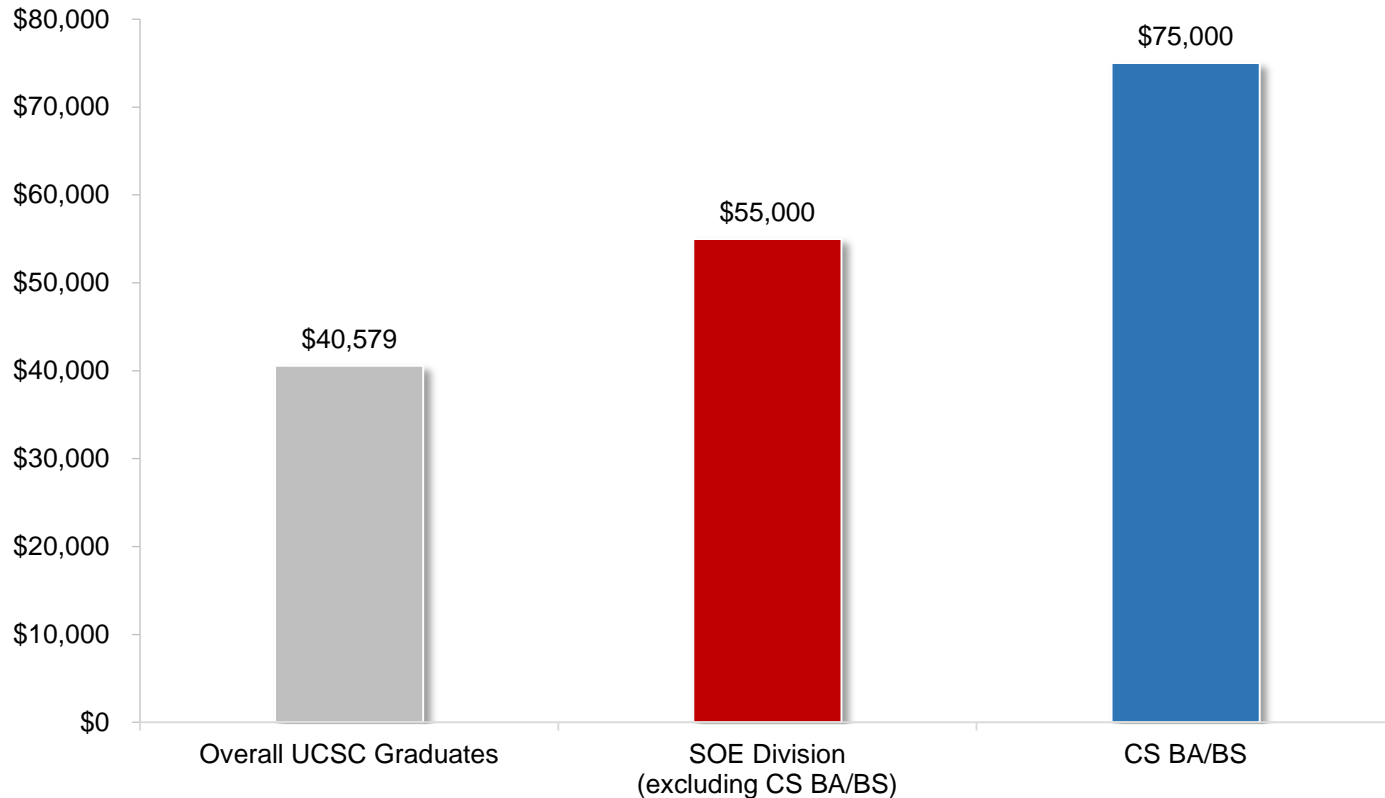

Of those employed, the majority of Computer Science BA/BS graduates reported working in the Business sector (57%) or Industry/Manufacturing (35%) within 6 months of graduation.

UCSC Computer Science BA/BS Graduates

Employers & Job Titles

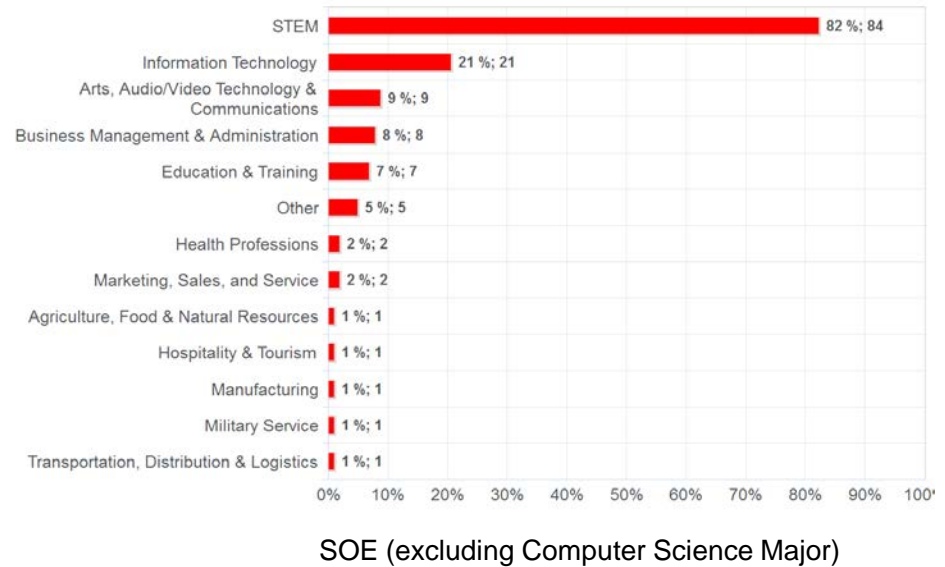

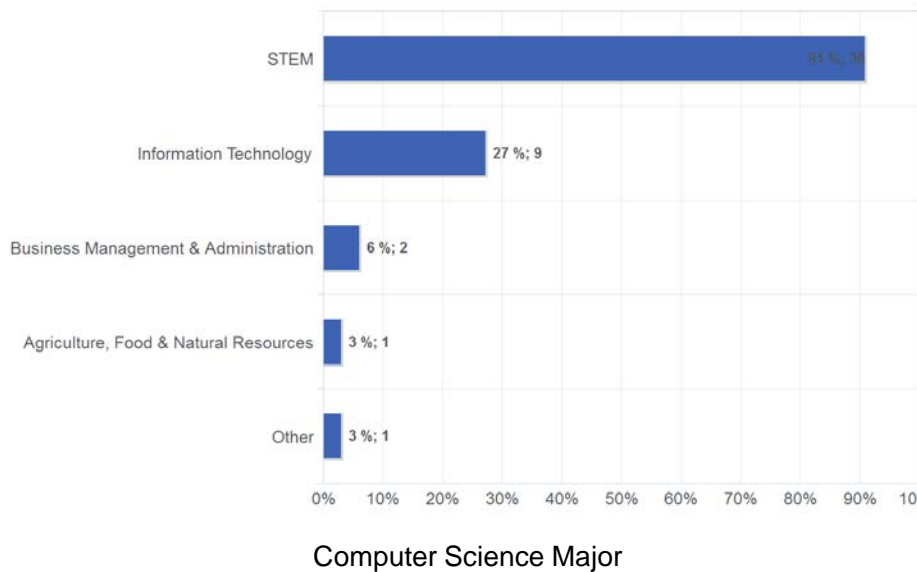

UCSC Computer Science BA/BS Graduates Median Annual Salary

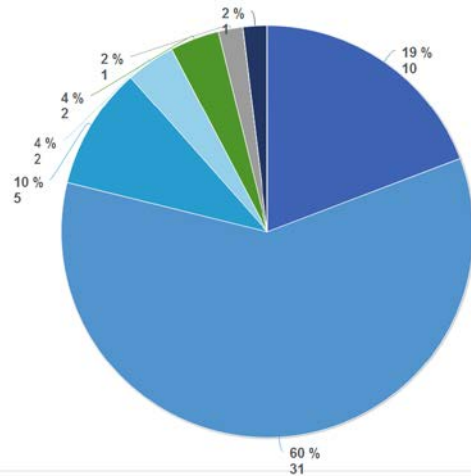

Fifty percent of graduates with a BA/BS degree in Computer Science reported earning \$75,000 annually or higher within 6 months of graduation.

UCSC Computer Science BA/BS Graduates Future Career Plans

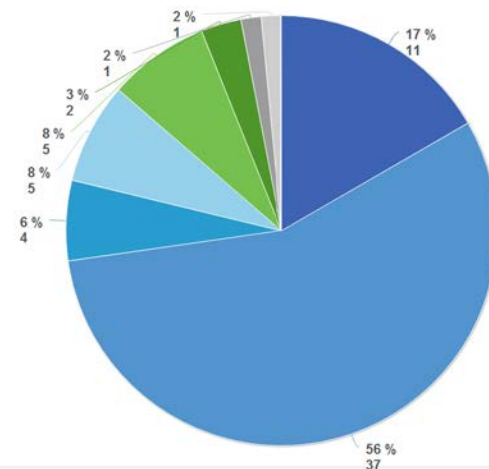

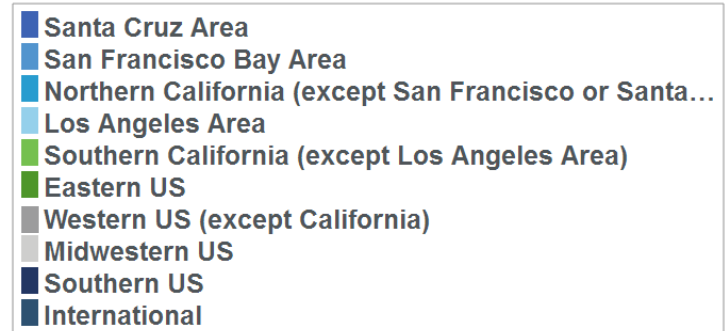

The vast majority (91%) of Computer Science BA/BS graduates hoped to have a career in STEM (Science, Technology, Engineering, & Math) after completing their education.

UCSC Computer Science BA/BS Graduates Geographic Destinations

Computer Science Major

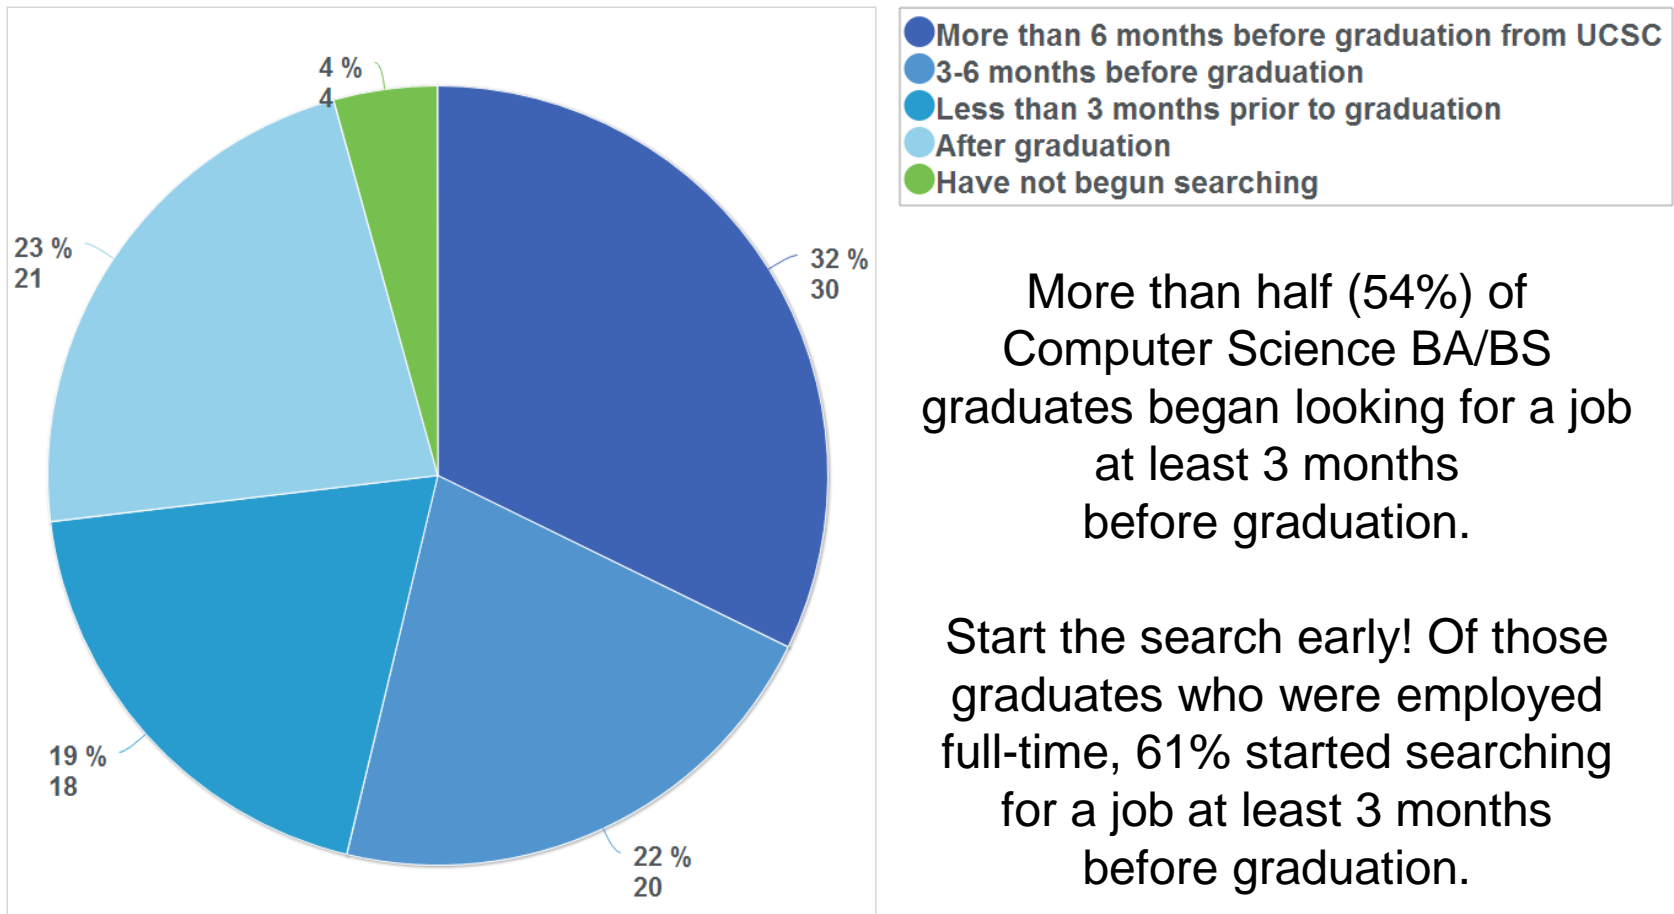

More than half (60%) of Computer Science BA/BS graduates reported that they plan to work in the San Francisco Bay Area.

SOE (excluding Computer Science Major)

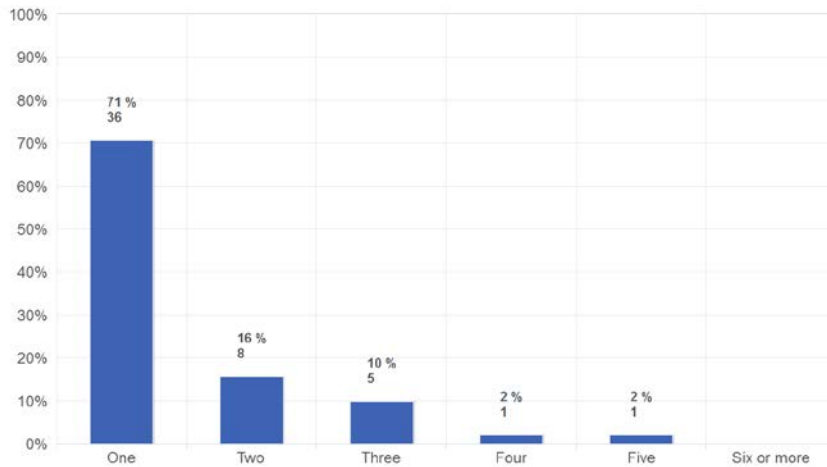

UCSC Computer Science BA/BS Graduates

When did they start looking for a job? (employed & seeking employment)

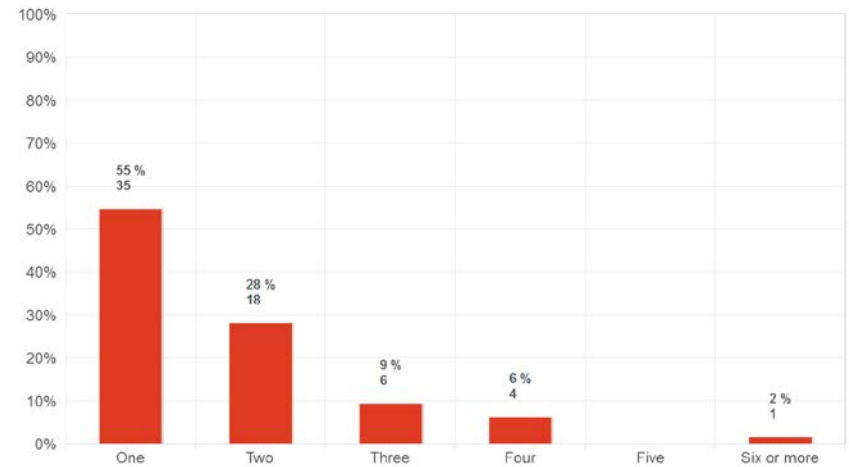

UCSC Computer Science BA/BS Graduates

How many job offers did they receive?

Computer Science Major

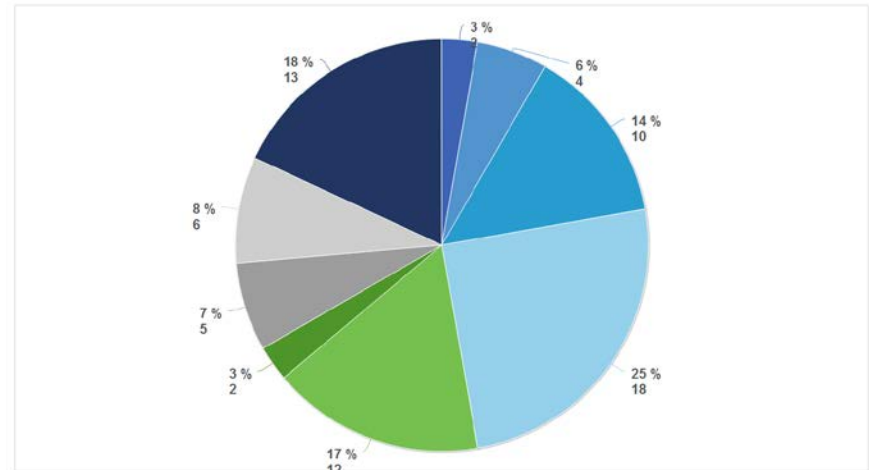

SOE (excluding Computer Science Major)

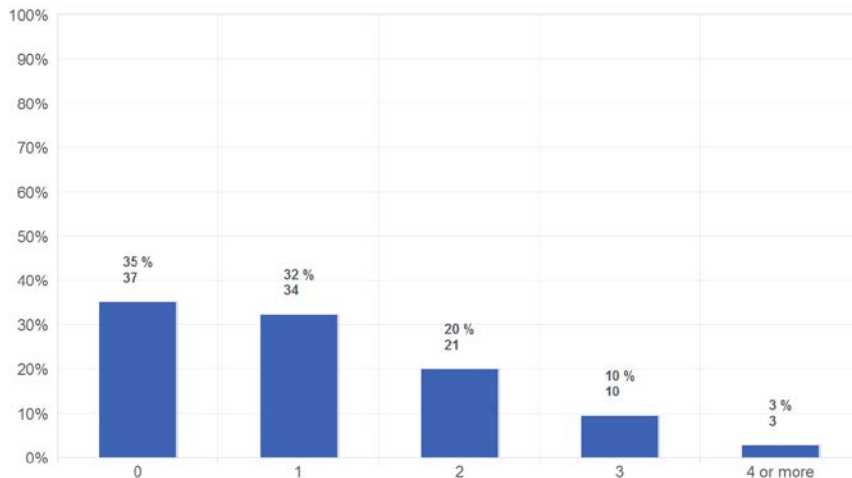

Of those employed, 30% of graduates with a BA/BS degree in Computer Science received multiple job offers.

UCSC Computer Science BA/BS Graduates Internships

39% of graduates reported that they found their internship by networking with UCSC or personal contacts.

- SlugQuest
- On-campus interviews
- Networking through UCSC contacts
- Networking through personal contacts
- Direct contact
- Previous employer/internship
- UCSC Career Center Fair
- Other (non-UCSC) job site
- Other

About two-thirds (65%) of graduates with a Computer Science BA/BS had 1 or more internships during their studies at UCSC.
